

## Dipl.Ing. Werner Graf AG

Our production site in Switzerland (Staad, SG)

Under our registered brand names **HEVALOID® - CRELAST® - RONDLAST®** we produce and supply truly endless power transmission belts, precise conveyor tapes, endless coatings and high-performance round belts.

The excellent quality and reliability convinces our worldwide customers (OEM, agents, end-users) for more than 75 years.

Endless...strong and reliable

### Endless welded...

Our RONDLAST® round belts are endless welded according to a unique process.

Due to this process, our high-performance round belts are always surpassing "conventional" round belts several times – even under extreme stress.

Not any round belt – endless welded – convinces under extreme conditions!

Gouged, soft joint decreases the performance

Bulging, hardened joint decreases the lifetime

RONDLAST®

High-performance **round belts**  
**Conveyor**

**endless welded**

## Round belts «Conveyor», endless welded

for industrial conveying systems, i.e. food, papers and packaging!

Types	Rondlast PU clear (FDA)	83 ShA
	Rondlast PU orange (FDA)	83 ShA
	Rondlast PU clear blue (FDA)	85 ShA
	Rondlast PU clear red (FDA)	85 ShA
	Rondlast PU clear green (FDA)	85 ShA
	Rondlast PU clear (FDA)	85 ShA UV/humidity
	Rondlast PU clear water blue	90 ShA antistatic
	Rondlast HT pearl white (FDA)	92 ShA C&C°
	Rondlast PU green or blue	88 ShA rough°°
Rondlast PU dark blue (FDA)	85 ShA detectable*	
Properties	<b>Endless welded...super strong and reliable</b> durable, resistant against abrasion, oil and grease  °Cold (-40 °C to +80 °C) and chemical resistant, °°for accumulation operation, *with metal detector	
Temperature resistance	0 °C to +55 °C	
Special types	Rondlast W – twisted round belts Rondlast S – reinforced length-stable round belts Rondlast H – hollow round belts / tubes Rondlast SL – round belt slings / hold down clips	
Rondlast round belts consist of 100 % virgin material and convince due to the homogenous and perfect welded joint!		
Dimensions	Length                    from 75 mm Cross section 1.6 to 18 mm	

Our seal of quality guarantees you the genuineness of our "Graf-Endless-Belts"!
